All – Adam called to let me know that the USCG

Admiral and TCEQ
Executive Director,
Toby Baker, are
scheduled to visit the
site on Monday April 1,
2019. Asked Adam
what the purpose of
the meeting was and he
said he did not
know. EPA, USCG and
TCEQ have discussed
the transition plan and
all are in agreement.
Adam did not identify
any problems.

Thought you might
want to know.
